

You're in control				
Pressing "pause" on my heartbeat				
Someone stole all the air				
So I can't speak now				
I know the chase is on				
I (1) as though				
My time has come				
How many times do I fly				
Through your head space				
Now we're (2) away				
From a safe place				
Yeah your skin				
The touch, the kiss				
The rush, too much				
And here it comes				
When your lips touch mine				
It's the (3) of life				
I know				
I know that it's a little bit frightening				
We might as well be playing				
With lightning				
We touch like				
Like it's our first time				
(Oh oh)				
I know that it is a little bit frightening				
We might as well be playing				
With lightning now				
(Oh oh)				
(Oh oh)				
Just you and me				
And the coats in the bathroom				
Learning things they don't				
Teach in the classroom				
Now, your here				
I feel the fear				
Where everything				
Is all so clear				
I've been addicted to you				
Since the (4) hit				
Out of control like a surge of electric				
Yeah, your skin				

The touch, The kiss The rush, too much
