You're in control	And here it comes
Pressing "pause" on my heartbeat	When (6) lips touch mine
Someone (1) all the air	It's the kiss of life
So I can't speak now	I know
I know the chase is on	I know that it's a little bit frightening
I feel as though	We might as (7) be playing
My time has come	With lightning
How many times do I fly	We (8) like
Through (2) head space	Like it's our first time
Now we're speeding away	(Oh oh)
From a safe place	I know it's a little bit frightening
Yeah your skin	We might as well be playing
The touch, the kiss	With lightning now
The rush, too much	(Oh oh)
And here it comes	(Oh oh)
When your lips touch mine	(Oh oh)
It's the kiss of life	(Oh oh)
I know	Your skin, the touch
I know that it's a little bit frightening	Then kiss, too much
We might as well be playing	Your skin, the touch
With lightning	Then kiss, the rush
We (3) like	Your skin, the touch
Like it's our first time	Then kiss, too much
(Oh oh)	The rush, the rush
I know that it is a little bit frightening	The rush, the rush
We might as well be playing	When your lips touch mine
With lightning now	It's the kiss of life
(Oh oh)	I know
(Oh oh)	I know that it's a little bit frightening
Just you and me	We might as well be playing
And the (4) in the bathroom	With lightning
Learning things they don't	We touch like
Teach in the classroom	Like it's our first time
Now, your here	(Oh oh)
I feel the fear	I know it's a little bit frightening
Where everything	We might as (9) be playing
Is all so clear	With lightning now
I've been addicted to you	(Oh oh)
Since the first hit	(Oh oh)
Out of control (5) a surge of electric	
Yeah, your skin	
The touch, The kiss	
The rush, too much
