

Fill in the gaps

The way you (1) is like a full on rainstorm	Kiss me on the sidewalk
And I'm a house of cards	Take away the pain
You're the	Cause I see, (16) fly (17)
Kinda reckless that you (2) send me running	you smile
But I kinda know (3) I won't get far	Get me with (18) green eyes, baby
And you stood there in front of me just	As the (19) go down
Close (4) to touch	Give me something that'll haunt me
Close enough to (5) you couldn't see	When you're not around
What I was (6) of	Cause I see, sparks fly whenever you smile
Drop everything now	I'll run my finger (20) your hair
Meet me in the pouring rain	And watch the lights go wild
Kiss me on the sidewalk	Just keep on keeping your (21) on me
Take away the pain	It's just wrong (22) to (23) it feel
Cause I see, (7) fly	right
Whenever you smile	Lead me up staircase
Get me with those (8) eyes, baby	Won't you wishper soft and slow
As the lights go down	I'm captivated by you baby
Give me something that'll haunt me	Like a firework show
When you're not around	Drop everything now
Cause I see, sparks fly (9) you smile	Meet me in the pouring rain
My mind (10) to remind me	Kiss me on the sidewalk
You're a bad idea	Take (24) the (25) cause
You touch me once and it's really something	I see sparks fly whenever you smile
You find I'm (11) better than you	Get me with (26) green eyes, baby
magined I would be	As the lights go down
'm on my guard for the (12) of the world	Give me something that'll haunt me
But with you I know it's no good	When you're not around
And I (13) (14)	Cause I see, sparks fly whenever you smile
[15] but I really wish you would	When sparks fly, Oh baby smile
Orop everything now	When sparks fly
Meet me in the pouring rain
