Blame It On September by Allstar Weekend

I can (1) see you (2) there	As summer starts to end
Summer (3) in (4) hair	Let's blame it on September
First week of July	Cuz it's (20) to remember
First day of my life	We can fight to hold on
My (5) shook when I said hello	But August is gone
And from that word we couldn't take it slow	And even if the sun falls
I still can't believe	I hope we don't (21) it all
The way you (6) at me	Cuz no summer (22) forever
Now the (7) turn colder	No
Your head's on my shoulder	On the beach, in the heat
We do our best to pretend	You (23) I need
Waves get louder	That sweet ocean air
I'm lost (8) her	I'm (24) go where I know we can be alone
As summer (9) to end	Wait for you, (25) for you
Let's (10) it on September	There
Cuz it's (11) to remember	Let's blame it on September
We can (12) to hold on	We can try to hold on
But August is gone	But August is gone
And (13) if the sun falls	Let's blame it on September
I hope we don't lose it all	Cuz it's hurts to remember
Cuz no summer last forever	We can fight to hold on but August is gone
Let's blame it on September	When the sun falls
We drew (14) (15) in the sand	I hope we don't lose it all
Loughter waves erased all plans	Cuz no (26) last forever
Though we never knew they told the truth	Let's blame it on September
could still (16) our laughing friends	Blame it on September
As we sneak off (17) n'again	I can still see you standing there
No we never cared	Summer (27) in (28) hair
To young to be scared	
The (18) turn colder
