

Fill in the gaps

(Uno, dos, tres, catorce)	Swinging to the music
	Swinging to the music
Lights go down, it's dark	(Oh oh oh oh)
The jungle is your head	Hello, hello (hola)
Can't rule your heart	l'm at a (5) called Vertigo (¿dónde está?)
A feeling is so much stronger than	It's everything I wish I didn't know
A thought your eyes are wide	But you give me something
And though your soul	I can feel, feel
It can't be (1) your mind can wander	Check mated
Hello, hello (hola)	Hours of fun
l'm at a place called Vertigo (¿dónde está?)	Check mated
It's everything I wish I didn't know	All of this, all of (6) can be yours
Except you give me something	All of this, all of this can be yours
I can feel, feel	All of this, all of this can be yours
The (2) is full of holes	Just give me what I want and no-one (7) hurt
As bullets rip the sky	Hello, hello (hola)
Of ink with gold	We're at a place called Vertigo (¿dónde está?)
They twinkle as the boys	Lights go down and all I know
Play (3) and roll	Is that you give me something
They know they can't dance	I can feel your love teaching me how
At least they know	Your love is teaching me how
I can't stand the beats	How to kneel, kneel
I'm (4) for the cheque	Yeah, yeah, yeah
The girl with crimson nails	
Has Jesus round her neck
