It felt so (7)\_\_\_\_\_ to fall in love

Remember the first day when I saw your face			
Remember the first day (1) you smiled at me			
You stepped to me and then you said to me			
I was the woman you dreamed about			
Remember the first day when you called my house			
Remember the first day when you took me out			
We had butterflies although we tried to hide			
And we (2) had a beautiful night			
The way we held each others hand			
The way we talked, the way we laughed			
It (3) so (4) to find true love			
I knew right then and there you were the one			
I know (5) he loves me 'cause he told me so			
I know that he loves me 'cause his feelings show			
When he stares at me, you see he cares for me			
You see how he is so deep in love			
I know that he loves me 'cause it's obvious			
I know that he loves me 'cause it's me he trusts			
And he's missing me if he's not kissing me			
And when he looks at me, his brown eyes tell it so			
Remember the (6) day, the first day we kissed			
Remember the first day we had an argument			
We apologized and then we compromised			
And we haven't argued since			
Remember the first day we stopped playing games			
Remember the first day you fell in love with me			
It felt so good for you to say those words			
'Cause I felt the same way too			
The way we held each others hand
