

Fill in the gaps

Remember the first day when I saw your face
Remember the first day when you smiled at me
You stepped to me and then you said to me
I was the woman you dreamed about
Remember the first day when you called my house
Remember the first day when you took me out
We had butterflies although we tried to hide
And we both had a beautiful night
The way we held (1) others hand
The way we talked, the way we laughed
It felt so good to find true love
I knew right then and there you were the one
I know that he loves me 'cause he told me so
I know that he loves me 'cause his feelings show
When he stares at me, you see he cares for me
You see how he is so deep in love
I know that he loves me 'cause it's obvious
I know that he loves me 'cause it's me he trusts
And he's missing me if he's not kissing me
And when he looks at me, his brown eyes tell it so
Remember the (2) day, the first day we kissed
Remember the (3) day we had an argument
We (4) and then we compromised
And we haven't argued since
Remember the first day we stopped playing games
Remember the (5) day you fell in love with me
It felt so (6) for you to say those words
'Cause I felt the same way too
The way we held each others hand
The way we talked the way we laughed

It felt so good to (7) in love
And I knew right then and there you were the one
I know that he loves me 'cause he told me so
I (8) that he (9) me 'cause his
feelings show
When he stares at me, you see he cares for me
You see how he is so deep in love
I know that he loves me 'cause it's obvious
I know that he loves me 'cause it's me he trusts
And he's missing me
If he's not kissing me
And when he looks at me, his brown eyes tell it so
I'm so happy
So happy that you're in my life
And baby now that you're a part of me
You showed me
Showed me the true meaning of love
The true meaning of love
And I know he loves me
I (10) that he loves me 'cause he told me so
I know that he loves me 'cause his feelings show
When he stares at me you see he cares for me
You see how he is so deep in love
I know that he loves me 'cause it's obvious
I know that he loves me 'cause it's me he trusts
And he's missing me if he's not kissing me
And when he looks at me his brown eyes tell it so
He looks at me and his brown eyes tell it so
