

No more fears, no more crying

## Fill in the gaps

Girl I see it in (1) eyes you're disappointed	But if you walk away
Cause I'm the foolish one	I know (7) fade
That you anointed with your heart	Cause there is nobody else
I tore it apart	It's gotta be you
And girl what a mess I (2) upon your innocence	Only you
And no woman in the world deserves this	It's gotta be you
But here I am asking you for one (3) chance	(Oh) (8) you
Can we fall, one more time?	Oh girl, can we try one more, one more time?
Stop the tape and rewind	One more, one more
Oh and if you walk away I know I'll fade	Can we try one more, one more time
Cause there is nobody else	I'll make it better
It's gotta be you	One more, one more
Only you	Can we try one more, one more
It's gotta be you	Can we try one more (9) to make it all better?
(Oh) Only you	'Cause its gotta be you
Now girl I hear it in your voice and how it trembles	It's gotta be you
When you speak to me I don't resemble, who I was	Only you
You've almost had enough	Only you
And your actions (4) louder than words	It's gotta be you
And you're (5) to break (6) all you've	Only you
heard	It's gotta be you
But don't be scared	Only you
I ain't going no where	
I'll be here, by your side
