Girl I see it in your eyes (1) disappointed	But if you walk away
Cause I'm the (2) one	I know I'll fade
That you anointed with your heart	Cause (20) is nobody else
I tore it apart	It's gotta be you
And girl what a mess I (3) (4)	Only you
(5) innocence	It's gotta be you
And no woman in the world deserves this	(Oh) Only you
But (6) I am asking you for one more chance	Oh girl, can we try one more, one (21) time?
Can we fall, one more time?	One more, one more
Stop the (7) and rewind	Can we try one more, one (22) time
Oh and if you walk (8) I (9)	l'II (23) it better
(10) fade	One more, one more
Cause (11) is (12) else	Can we try one more, one more
It's gotta be you	Can we try one more (24) to make it all better?
Only you	'Cause its (25) be you
It's gotta be you	It's gotta be you
(Oh) Only you	Only you
Now (13) I hear it in (14) voice and how	Only you
it trembles	It's (26) be you
When you speak to me I don't resemble, who I was	Only you
You've almost had enough	It's gotta be you
And (15) (16) speak louder than	Only you
words	
And you're about to break from all you've heard	
But (17) be scared	
I (18) no where	
I'll be here, by your side	
No more fears, no more crying
