

I wake again

Fill in the gaps

I'm (1) of (2)	the story	l'm (17) you
Tired of telling it your way		Before you (18) my heart
Yeah I know what I saw I know		Reconsider
That I found the floor		Before you (19) my heart
Before you take my heart		Reconsider
Reconsider		I've opened the door
Before you take my heart		I've (20) the door
Reconsider		Here comes the summer's son
I've opened the door		He burns my skin
I've opened the door		I (21) again
Here (3) the summer's son		I'm over you
He burns my skin		Here (22) the winter's rain
I (4) again		To cleanse my skin
I'm over you		I (23) again
I (5) I had a (6)	to hold	I'm (24) you
Maybe that has gone		
Your (7)(8)	out and	Here comes the summer's son
(9) me still		
But (10) feels so wrong		He burns my skin
Before you take my heart		I ache again
Reconsider		I'm over you
Before you (11) my heart		
Reconsider		Here comes the winter's rain
I've opened the door		
I've (12) the door		To (25) my skin
Here (13) the summer's son		(I wake again)
He (14) my skin		(I'm over you)
I (15) again		
I'm (16) you		
Here comes the winter's rain		
To cleanse my skin
