## The Boy Does Nothing by Alesha Dixon

	Does he clean up? No, he never cleans up
I got a man (1) two left feet	Does he brush up? Never (13) up
And when he dances down to the beat	He (14) nothing, the boy does nothing
I really think that he (2) know	Does he (15) up? Never wash up
That his rhythms go, go, go	Does he clean up? No, he never cleans up
I got a man with two left feet	Does he brush up? (16) (17)
And when he dances (3) to the beat	up
I really think that he should know	He does nothing, the boy does nothing
That his rhythms go, go, go	Work it out now
Does he wash up? Never (4) up	Work it, work it out now
Does he clean up? No, he never (5) up	Do the mambo
Does he brush up? Never brushed up	Shake it all around now
He (6) nothing, the boy does nothing	Everybody on the floor
Does he wash up? Never wash up	Let me see you clap your hands
Does he clean up? No, he never cleans up	I wanna see you work
Does he brush up? Never brushed up	I wanna see you move your body and turn
He (7) nothing, the boy (8) nothing	I (18) see you (19) your hips and
Hey boy, how you been?	learn
I got a (9) lines, where do I begin?	I wanna see you work it, (20) it, work it out now,
And I, I (10) here, (11) there traveling	hey!
I saw you at the corner	I wanna see you work
My vibe kicked in and	I wanna see you move your body and turn
Two fields	I wanna see you shake your hips and learn
I clock you	I wanna see you work it, work it, work it out now
Wearing tight jeans	Does he wash up? Never wash up
A real nice suit	Does he clean up? No, he (21) cleans up
He was smiling like you	Does he brush up? Never brushed up
Was just seventeen	He does nothing, the boy does nothing
I asked him for a dance	Does he wash up? (22) wash up
He said "Yes, please"	Does he clean up? No, he never cleans up
Take a sip of dancing juice	Does he brush up? Never brushed up
Everybody's onto you	He does nothing, the boy (23) nothing
Through the left and to the right	And if the man can't dance
Everybody hit the rhythm	He gets no second chance
It's on tonight	And if the man can't dance
I'm gonna (12) the beat within my soul	He gets no (24) chance
I need a man to take control	And if the man can't dance
Let the melody blow you all away	He gets no second chance
Does he wash up? Never wash up
