

Fill in the gaps

You Never Can Tell by Chuck Berry

It was a teenage wedding	The (17) (18) of the music fell
And the old (1) wished `em well	"C'est la vie" say the old folks
You could see (2) Pierre	It goes to (19) you never can tell
Did (3) love the mademoiselle	They bought a souped-up jitney
And now the young (4) and madam	Was a cherry red `53
Have (5) the (6) bell	And (20) it down New Orleans
"C'est la vie" say the old folks	To celebrate their anniversary
It goes to show you (7) can tell	It was there where Pierre
They finished off an apartment	Was wedded to the (21) mademoiselle
With a two-room (8) sale	"C'est la vie" say the old folks
The coolerator was crammed	It goes to show you never can tell
With TV (9) and (10) ale	They had a (22) wedding
But when Pierre found work	And the old folks wished `em well
The (11) money comin' (12)	You could see that Pierre
out well	Did truly love the mademoiselle
"C'est la vie" say the old folks	And now the (23) monsieur and madam
It goes to (13) you never can tell	Have rung the chapel bell
They had a hi-fi phono	"C'est la vie" say the old folks
Boy did (14) let it blast	It goes to (24) you never can tell
Seven hundred (15) records	
All rock, rhythm, and jazz	
But (16) the sun went down
