

Fill in the gaps

White lips, pale face	The (9) things in life come (10) to us
Breathing in snowflakes	'Cause we're just under the upper hand
Burnt lungs, (1) taste	And go mad for a couple grams
Light's gone, day's end	And she don't want to go outside tonight
Struggling to pay rent	And in a pipe she flies to the Motherland
Long nights, strange men	Or sells love to (11) man
And (2) say	It's too cold outside
She's in the class A team	For (12) to fly
Stuck in her daydream	An angel (13) die
Been this way since 18	Covered in white
But lately her face seems	Closed eye
Slowly sinking, wasting	And hoping for a better life
Crumbling like pastries	This time
And they scream	We'll (14) out tonight
The worst things in life come free to us	Straight (15) the line
'Cause we're just	And (16) say
Under the upper hand	She's in the class A team
And go mad for a couple grams	Stuck in her daydream
And she don't want to go outside tonight	Been (17) way (18) 18
And in a (3) she flies to the Motherland	But (19) her face seems
Or sells (4) to another man	Slowly sinking, wasting
It's too cold outside	Crumbling (20) pastries
For angels to fly	They scream
Angels to fly	The worst things in life come free to us
Ripped gloves, raincoat	And we're all under the (21) hand
Tried to (5) and stay afloat	Go mad for a couple grams
Dry house, wet clothes	And we don't want to go outside tonight
Loose change, bank notes	And in a (22) we fly to the Motherland
Weary-eyed, dry throat	Or sell love to another man
Call girl, no phone	It's too (23) outside
And they say	For angels to fly
She's in the (6) A team	Angels to fly
Stuck in her daydream	Fly, fly
Been (7) way since 18	For (24) to fly
But lately her face seems	To fly, to fly
Slowly sinking, wasting	Angels to die
Crumbling like pastries	
And (8) scream
