Losing Grip by Avril Lavigne

Fill in the gaps

Are you (1) of what you (2)	me feel When I was scared
Baby	I was so alone
Right now I (3) invisible to you	You, you need to listen
Like I'm not real	I'm starting to trip
Didn't you feel me lock my (4) around you	ou? I'm losing my grip
Why'd you turn away?	And I'm in (14) thing alone
Here's what I have to say	Crying out loud
I was (5) to cry there	I'm crying out loud
Waiting outside there	Crying out loud
Grinning with a (6) stare	I'm (15) out loud
That's when I decided	Open your eyes
Why (7) I care?	Open up wide
'Cause you weren't there	Why (16) I care?
When I was scared	'Cause you weren't there
I was so alone	When I was scared
You, you need to listen	I was so alone
I'm starting to trip	Why should I care?
I'm losing my grip	'Cause you weren't there
And I'm in this (8) alone	When I was scared
Am I just some chick you placed	I was so alone
Beside you	Why should I care?
To take somebody's place?	If you don't care, then I don't care
When you (9) around	We're not (17) anywhere
Can you recognize my face?	Why (18) I care?
You (10) to (11) me	'Cause you weren't there
You used to hug me	When I was scared
But that was in the case	I was so alone
Everything wasn't okay	Why should I care?
I was left to cry there	If you don't care
Waiting (12) there	Then I don't care
Grinning with a lost stare	We're not (19) anywhere
That's when I decided	
Why (13) I care?	
'Cause you weren't there
