

So are you listening?

Fill in the gaps

I think we have an emergency	So are you watching me?
I think we have an emergency	Well, I can't pretend that I don't see this
If you thought I'd leave, then you (1) wrong	But it's (5) not your fault
'Cause I won't stop holding on	When no one (6) to talk (7) it
So are you listening?	Talk about it
So are you (2) me?	'Cause I've seen love die
If you thought I'd leave, then you were wrong	Way too many times
'Cause I won't stop holding on	When it deserved to be alive
This is an emergency	(When it deserved to be alive)
So are you listening?	And I've seen you cry
And I can't pretend that I don't see this	Way too many times
But it's really not your fault	When you deserved to be alive
When no one cares to talk about it	Alive
Talk about it	Scars, they will not fade away
'Cause I've seen love die	
Way too many times	No one cares to (8) about it
When it deserved to be alive	To talk (9) it
(When it deserved to be alive)	'Cause I've (10) love die
And I've seen you cry	Way too many times
Way too many times	When it deserved to be alive
When you deserved to be alive	(When it deserved to be alive)
Alive	And I've seen you cry
So you give up every chance you get	Way too many times
Just to feel new again	When you deserved to be alive
I think we have an emergency	(You deserved to be alive)
I think we (3) an emergency	Alive
And you do (4) best to show me love
