

Fill in the gaps

It's (1) been (2) me myself and I	So can we say
I thought relationships	I do, I do, I do, do do do do do do
Were nothing but a waste of time	(Oh) baby
I never (3) to be anybody's other half	I do, I do, I do, do do do do do do
I was happy saying that our love wouldn't last	'Cause (15) time before it's been
That was the (4) way I knew (5) I met	Like (16) yes and maybe no
you	I won't (17) without it, I won't let it go
You make me (6) say I do	(Wooh) can I get myself into
I do, I do, do do do do do do	You (18) me wanna say
Yeah, I do, I do	Meet my family, how is your family
I do do do do do do do	(Oh) can we be a family?
'Cause every (7) before it's been	And when I'm (19) years old
Like (8) yes and maybe no	And (20) next to you
I could live without it	And we'll remember when we said
I could let it go	I do, I do, I do, do do do do do do
(Oh) what did I get (9) into	(Oh) baby
You (10) me wanna say I do	I do, I do, I do, do do do do do do
I do, I do, I do, I do	'Cause every time before it's been
Tell me is it only me	Like (21) yes and maybe no
Do you feel the same?	No, I won't live without it, I won't let us go
You (11) me well (12) to know	Just (22) at what we got ourselves int
That I'm not playing games	You make me (23) say I do
I (13) I won't turn around	I do, I do, I do, I do
And I won't let you down	Love you
You can (14) I never felt like I feel it now	
Baby there's nothing, there's nothing	
We can't get through
