t kills me not to (1) this	Because I don't know
But I've all but just forgotten	That's when she (11) I don't hate you boy
What the color of her eyes were	I (12) (13) to (14) you
And her (2) or how she got them	While there's (15) (16)
As the telling signs of age rain down	left to save
A single tear is dropping	That's when I told her I (17) you girl
Through the valleys of an aging face	But I'm not the answer
That this world has forgotten	For the questions that you (18) have
There is no reconciliation	(Oooh oooh)
That will put me in my place	One thousand miles away
And there is no time like the present	There's nothing left to say
To drink these draining seconds	But so much left that I don't know
But seldom do these words ring true	We (19) had a choice
When I'm constantly failing you	This world is too much noise
Like walls that we just can't break through	It takes me under
Until we disappear	It takes me under once again
So (3) me now	I don't hate you
f (4) ain't love (5) how do we get out?	I don't hate you, no
Because I don't know	So (20) me now
That's (6) she said I don't hate you boy	If this ain't (21) then how do we get out?
(7) want to save you	Because I don't know
While there's still something left to save	That's when she (22) I don't hate you boy
That's when I (8) her I love you girl	I just want to save you
But I'm not the answer	While there's (23) something (24) to
For the questions that you still have	save
(Oooh oooh)	That's (25) I told her I (26) you girl
But the day pressed on like (9) weights	But I'm not the answer
For no man does it ever wait	For the questions that you still have
Like memories of dying days	(Oooh oooh)
That deafen us like hurricanes	I don't hate you
Bathed in (10) we held the brand	I don't hate you
Uncurled the fingers in your hand	(Oooh oooh)
Pressed into the flesh like sand	I don't hate you
Now do you understand?	I don't hate you, no
So tell me now	(Oooh oooh)
f this ain't love then how do we get out?
