

Fill in the gaps

Break (1) the undertow	Breathe
Your hands I can't seem to find	The air we give
Pollution burns my tongue	The life we live
Cough words I can't speak so I	Our pulses (12) distances
Stop my struggling	So wet my tongue
Then I float to the surface	Break (13) song
Fill my (2) with air	Through (14) of competition
Then let it out	So (15) believe your eyes
I give it all	A sacrifice
Now there's a (3) why I sing	Is not (16) we had in our minds
So give it all	I'm coming (17) tonight
And it's these (4) that (5) to	Home tonight
me	We give it all
Rock bottoms where we live	Now there's a (18) why I sing
And (6) we dig these trenches	So (19) it all
To (7) ourselves in them	And it's (20) reasons (21) belong to
Backs breaking under tension	me
For far too (8) these voices	Today I offer all myself to (22) I'm living for my
Muffled by distances	(23) wish
It's time to come to our senses	I give it all
Up (9) the dirt	Now there's a reason
We give it all	There's a reason
Now there's a reason why I sing	To give it all
So give it all	
And it's (10) reasons (11) belong to
