Do you (1) a guy that's been	I'm happy, (10) you're happy, too
In such an early song?	One flash of (11) but no (12)
I've heard a rumour from (2) control	pistol
Oh no, don't say it's true	I've never (13) things
They got a (3) (4) the	I've never done bad things
(5) man	I never did (15) out of the blue
I'm happy, hope you're happy, too	(woh-o-oh)
I've loved all I've needed love	Want an axe to break the ice
Sordid details following	Wanna come down right now
The shrieking of nothing is killing just	Ashes to ashes, (16) to funky
Pictures of Jap girls in (6) and I	We (17) (18) Tom's a junkie
Ain't got no money and I ain't got no hair	Strung out in heaven's high
But I'm hoping to kick	Hitting an all-time low
But this (7) is glowing, glowing, glowing	My mother (19) "to get (20)
Ashes to ash and (8) to funky	done
We know Major Tom's a junkie	You'd better not (21) with (22) Tom"
Strung out in heaven's high	My mother said: "to get things done
Hitting an all-time low	You'd better not (23) (24) Major Tom"
Time and again, I tell myself	My mother said: "to get things done
I'll stay clean tonight	You'd (25) not mess with Major Tom"
But the little green wheels are following me	My (26) "to get things done
Oh no, not again	You'd better not mess (28) Major Tom"
I'm stuck with a (9) friend	My mother said
