We might find our place in this world someday

Fill in the gaps

Gotta Go My Own Away by High School Musical 2

i gotta say what's on my mind	But at least for now
Something (1) us	I gotta go my own way
Doesn't seem right these days	What about us?
Life keeps (2) in the way	What about everything we've been through?
Whenever we try somehow the plan	What about trust?
ls always rearranged	You know I never (9) to hurt you
It's so hard to say	What about me?
But I gotta do what's best for me	What am I supposed to do?
You'll be okay	I gotta leave but I'll miss you
I've got to move on, and be who I am	
I just don't belong here	So I've got to move on, and be who I am
I hope you understand	(Why do you have to go)
We might find our (3) in (4)	I just don't belong here
(5) someday	I hope you understand (trying to understand)
But at (6) for now	We might find our place in this world someday
I gotta go my own way	But at least for now (I want you to stay)
Don't wanna leave it all behind	I gotta go my own way
But I get my hopes up	I've got to move on, and be who I am
And I watch them fall every time	(What about us?)
Another (7) (8) to grey	I just don't belong here
And it's just too hard to watch it all	I hope you understand (trying to understand)
Slowly fade away	We might find our place in this world someday
I'm leaving today	But at (10) for now
Cause I gotta do what's best for me	I gotta go my own way
You'll be okay	I've gotta go my own way
I've got to move on, and be who I am	I've gotta go my own way
I just don't belong here	
I hope you understand
