The River (Live) by Bruce Springsteen

	For the Johnstown Company
come from down in the valley	But lately there ain't (3) no work
Where mister when you're young	On account of the economy
They bring you up to do	Now all (4) things (5) seemed so
Like your daddy done	important
Me and Mary we met in high school	Well mister they vanished right into the air
When she was just seventeen	I just act like I don't remember
We'd drive out of this valley	Mary acts like she don't care
Down to where the (1) were green	But I remember us riding in my brother's car
We'd go down to the river	Her body tanned and wet down at the reservoir
And into the (2) we'd dive	At night on them banks I'd lie awake
(Oh oh) down to the river we'd ride	And pull her (6) just to feel each
Then I got Mary pregnant	(7) she'd take
And man that was all she wrote	Now the memories come (8) to haunt me
And for my nineteenth birthday	They haunt me like a curse
got a union card and a wedding coat	Is a dream a lie if it don't (9) true
We went down to the courthouse	Or is it something worse
And the judge put it all to rest	That sends me down to the river
No wedding day smiles	Though I know the river is dry
No walk down the aisle	(Oh oh) down to the river tonight
No flowers, no wedding dress	
We went down to the river	Down to the river
And into the river we'd dive	My baby and I
(Oh oh) down to the river we'd ride	(Oh oh) down to the river we ride
got a job working construction
