Fill in the gaps

The River (Live) by Bruce Springsteen

	For the Johnstown Company
I come from down in the valley	But (15) there ain't (16) no work
Where (1) when you're young	On account of the economy
They bring you up to do	Now all them things that seemed so important
Like (2) daddy done	Well mister they vanished right (17) the air
Me and (3) we met in high school	I just act like I don't remember
When she was (4) seventeen	Mary acts like she don't care
We'd drive out of this valley	But I (18) us riding in my brother's car
Down to (5) the fields were green	Her body (19) and wet down at the reservoir
We'd go down to the river	At night on them banks I'd lie awake
And into the river we'd dive	And pull her close just to feel each breath she'd take
(Oh oh) (6) to the (7) we'd ride	Now the memories come (20) to haunt me
Then I got (8) pregnant	They (21) me like a curse
And man (9) was all she wrote	Is a dream a lie if it don't (22) true
And for my (10) birthday	Or is it something worse
I got a union card and a (11) coat	That (23) me down to the river
We (12) down to the courthouse	Though I know the river is dry
And the judge put it all to rest	(Oh oh) (24) to the (25) tonight
No wedding day smiles	
No walk down the aisle	Down to the river
No flowers, no (13) dress	My baby and I
We went down to the river	(Oh oh) down to the river we ride
And (14) the river we'd dive	
(Oh oh) down to the river we'd ride	
I got a job working construction
