## Goodbye My Lover (Live) by James Blunt

| Did I disappoint you or let you down?           | I'd spend a lifetime with you           |
|---|---|
| Should I be feeling (1) or let the judges frown | I know (7) fears and you know mine      |
| 'Cause I saw the end before we'd begun          | We've had our doubts but now we're fine |
| Yes I saw you were blinded and I knew I had won | And I love you, I swear that's true     |
| So I took what's mine by eternal right          | I (8) live without you                  |
| Took (2) soul out into the night                | Goodbye my lover                        |
| It may be over but it won't stop there          | Goodbye my friend                       |
| I am here for you if you'd (3) care             | You have been the one                   |
| You touched my heart you touched my soul        | You (9) been the one for me             |
| You changed my life and all my goals            | Goodbye my lover                        |
| And love is blind and that I knew when          | Goodbye my friend                       |
| My heart was blinded by you                     | You have (10) the one                   |
| I've kissed your lips and held (4) hand         | You have been the one for me            |
| Shared your dreams and shared your bed          | And I still hold your hand in mine      |
| I know you well, I know your smell              | In mine when I'm asleep                 |
| I've been addicted to you                       | And I will bare my soul in time         |
| Goodbye my lover                                | When I'm kneeling at your feet          |
| Goodbye my friend                               | (Goodbye my lover)                      |
| You have (5) the one                            | (Goodbye my friend)                     |
| You have been the one for me                    | (You have been the one)                 |
| Goodbye my lover                                | (You have been the one for me)          |
| Goodbye my friend                               | (Goodbye my lover)                      |
| You have been the one                           | (Goodbye my friend)                     |
| You have been the one for me                    | (You have been the one)                 |
| I'm a dreamer and when I wake                   | (You have been the one for me)          |
| You can't (6) my spirit                         | I'm so hollow, baby, I'm so hollow      |
| It's my dreams you take                         | I'm so, I'm so, I'm so hollow           |
| And as you move on, remember me                 | I'm so hollow, baby, I'm so hollow      |
| Remember us and all we used to be               | I'm so, I'm so, I'm so hollow           |
| I've seen you cry, I've seen you smile          |   |
| I've watched you cleaning for a while           |   |
