

## Fill in the gaps

r you (1) something to (2) me	So let there be love
Of how you feel inside	'Cause it's (14) we need
hope it is love	It's like the air (15) we breathe
f you (3) a single question	And I know nothing can replace it
want it to be this	It's (16) leaving traces
Can you feel the love?	Let there be love
Tell me now	Let (17) be love
So I know	Let there be love
Why it (4) you feel alive	Everything we need
Why it hurts to say goodbye	Let there be love
Why you'll never ever lose	Let there be love
What is (5) to be with you	Let there be love
So let (6) be love	Everything we need
So let there be love	I hope it's love
Sometimes you can live a (7) life	'Cause it's everything we need
In just a (8) day	It's like the air (18) we breathe
Let the minutes flow	And I know (19) can replace it
When you (9) another heartbeat harmonizing	It's always leaving traces
Yours and you (10) know	Let there be love
It's the feeling of	Let (20) be love
Something more	Let (21) be love
An open door	Everything we need
t will make you (11) alive	I hope it's love
t will hurt to say goodbye	I hope it's love
But you'll (12) ever lose	
What is meant to be with you	
So let (13) be love
