

Fill in the gaps

Well it's been building up inside of me for (oh oh)	Don't worry baby (don't worry baby)
I don't know how long	Everything will turn out (7) (don't worr
I don't know why	baby)
But I keep thinking something's (1) to go wrong	Don't worry baby (don't worry baby)
But she looks in my eyes	She told me "baby, when you race today
And makes me realize	Just take along my love with you
And she says "don't worry baby"	And if you (8) how much I loved you
Don't worry baby (don't worry baby)	Baby nothing could go wrong with you"
Everything will turn out alright (don't (2) baby)	(Oh) what she does to me
Don't (3) baby (don't worry baby)	When she makes love to me
I guess I should've kept my (4) shut	And she says "don't (9) baby" (don't worry baby)
When I started to brag (5) my car	Don't worry baby (don't worry baby)
But I can't back down now because	Everything will turn out alright (don't worry baby)
I pushed the other guys too far	Don't worry (10) (don't worry baby)
She makes me come alive	Everything will turn out alright (don't worry baby)
And makes me (6) drive	Don't worry baby
When she says "don't worry baby"	

- 1. bound
- 2. worry
- 3. worry
- 4. mouth
- 5. about
- 6. wanna
- 7. alright
- 8. know
- 9. worry
- 10. baby
