

Fill in the gaps

•••	And I was overwhelmed and frankly scared as hell
On the other side of a street I knew	Because I really fell for you
Stood a girl that looked like you	(Oh) I swear to you
I guess that's deja vu but	I'll be there for you
I thought this can't be true 'cause	This is not a drive by
You moved to west L.A. or	Just a shy guy looking for a two-ply
New York or Santa Fe or	Hefty bag to hold my love
Wherever to get away from me	When you move me everything is groovy
(Oh) but that one night	They don't like it sue me
Was more than just right	(Mmm) the way you do me
I didn't leave you 'cause I was all through	(Oh) I swear to you
(Oh) I was overwhelmed	I'll be there for you
And frankly (1) as hell	This is not a drive by
Because I really fell for you	Please believe
(Oh) I swear to you	That when I leave
I'll be there for you	There's nothing up my sleeve but love for you
This is not a drive by	And a little time to get my head together too
Just a shy guy looking for a two-ply	On the other side of a street I knew
Hefty bag to hold my love	Stood a girl (8) looked like you
When you (2) me everything is groovy	I guess that's deja vu
They don't like it sue me	But I thought this can't be (9) 'cause
(Mmm) the way you do me	(Oh) I (10) to you
(Oh) I swear to you	I'll be there for you
I'll be there for you	This is not a drive by
This is not a (3) by	Just a shy guy looking for a two-ply
On the other side of a downward spiral	Hefty bag to hold my love
My love for you went viral	When you move me everything is groovy
And I (4) you every mile you (5)	They don't like it sue me
away	(Mmm) the way you do me
But now here you are (6) so	(Oh) I swear to you
Let's skip the "how you been" and	I'll be there for you
Get (7) to the "more than friends" at last	This is not a drive by
(Oh) but that one night	
Is still the highlight	
I didn't need you until I came to	

1. scared

- 2. move
- 3. drive
- 4. loved
- 5. drove
- 6. again
- 7. down
- 8. that
- 9. true
- 10. swear
