	And I was overwhelmed and frankly (18) as
On the other side of a street I knew	hell
Stood a girl that looked like you	Because I really fell for you
I (1) that's deja vu but	(Oh) I swear to you
I (2) this can't be (3) 'cause	I'll be there for you
You (4) to west L.A. or	This is not a drive by
New (5) or (6) Fe or	Just a shy guy looking for a two-ply
Wherever to get away from me	Hefty bag to hold my love
(Oh) but that one night	When you move me everything is groovy
Was more than (7) right	They don't (19) it sue me
I didn't (8) you 'cause I was all through	(Mmm) the way you do me

Because I really fell for you	This is not a drive by

Let's (15) the "how you been" and	(Mmm) the way you do me
Get down to the "more than friends" at last	(Oh) I (26) to you
