Fill in the gaps

Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine (1)_____ the mind
Trickle down the spine
Swarm the belly, (2)_____ to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a (3)_____ with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I (4)_____ to be
That I'm (5)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I (6)_____ what I does
Then brother, get back
'Cause my breast's (7)_____ bust open
The rib is the shell and (8)_____ is the yolk
And I (9)_____ need a meal for us both to choke on
Every single night's a (10)_____ with my brain
I just (11)_____ to feel everything
I just (12)_____ to feel everything
I just want to (13)_____ everything
So I'm (14)_____ try to be (15)_____ now
Gonna (16)_____ the mill a
(17)_____ while and
If we had a double king (18)_____ bed
We could (19)_____ in it and I'd soon forget
If what I am is what I am, 'cause I (20)_____
(21)_____ I does
And maybe I'd relax, let my breast just bust open
My heart's (22)_____ of parts of all that's
(23)_____ me
And that's why the devil just can't get around me
Every single night's alright
Every single night's a fight
And (24)_____ single fight's (25)_____
with my brain
I just want to feel everything
I just want to feel everything
I just want to (26)_____ everything
I just (27)_____ to feel everything
