Every Single Night by Fiona Apple

Every (1)_____ night, I (2)_____ the flight
Of little wings of white-flamed (3)_____
in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's (4)_____ the pain comes in
Like a (5)_____ skeleton
Trying to fit (6)_____ the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be (7)_____ else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna (8)_____ open
The rib is the shell and heart is the yolk
And I (9)_____ need a meal for us both to choke on

Every single night's a fight with my brain
I just want to (10)_____ everything
I just want to (11)_____ everything
I (12)_____ (13)_____ to feel everything
So I'm gonna try to be (14)_____ now
Gonna renounce the mill a little while and
If we had a double king size bed
We (15)_____ move in it and I'd (16)_____ forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast (17)_____
(18)_____ open
My heart's made of (19)_____ of all that's
(20)_____ me
And that's why the devil just can't get (21)_____ me
Every (22)_____ night's alright
Every single night's a fight
And every single fight's alright with my brain
I just want to feel everything
I just (23)_____ to (24)_____ everything
I just want to feel everything
I just want to feel everything
