Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, (1)_____ to a blaze
That's when the (2)_____ comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a fight with my brain
What do I say to her?
Why do I say it to her?
What (3)_____ she (4)_____ of me?
That I'm not (5)_____ I (6)_____ to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's (7)_____ bust open
The rib is the (8)_____ and heart is the yolk
And I just need a (9)_____ for us (10)_____ to
choke on

Every single night's a fight with my brain
I just (11)_____ to (12)_____ everything
I (13)_____ (14)_____ to (15)_____ everything
I just want to (16)_____ everything
So I'm gonna try to be (17)_____ now
Gonna renounce the mill a little while and
If we had a double (18)_____ size bed
We (19)_____ move in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast (20)_____
(21)_____ open
My heart's made of parts of all that's around me
And that's why the devil just can't get around me
Every single night's alright
Every single night's a fight
And every single fight's (22)_____ with my brain
I just want to feel everything
I (23)_____ want to feel everything
I (24)_____ want to (25)_____ everything
I just (26)_____ to feel everything
