Every Single Night by Fiona Apple

Every (1)_____ night, I endure the flight
Of little wings of white-flamed (2)_____ in my brain
These ideas of (3)_____ (4)_____ the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's (5)_____ the (6)_____ (7)_____ in
Like a (8)_____ skeleton
Trying to fit beneath the skin
I can't fit the (9)_____ in, no
Every (10)_____ night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be (11)_____ else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and (12)_____ is the yolk
And I just (13)_____ a (14)_____ for us both to choke on

Every single night's a fight (15)_____ my brain
I just want to feel everything
I just want to feel everything
I just (16)_____ to feel everything
So I'm gonna try to be still now
Gonna renounce the mill a little while and
If we had a double king (17)_____ bed
We (18)_____ (19)_____ in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my (20)_____ just bust open
My heart's made of parts of all that's (21)_____ me
And that's why the devil (22)_____ can't get (23)_____ me
Every single night's alright
Every single night's a fight
And every single fight's alright with my brain
I just want to feel everything
I just want to feel everything
I (24)_____ want to (25)_____ everything
I (26)_____ (27)_____ to feel everything
