Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine (1)_____ the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit (2)_____ the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What (3)_____ she think of me?
That I'm not what I (4)_____ to be
That I'm (5)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is (6)_____ I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a meal for us both to choke on

Every single night's a fight with my brain
I (7)_____ want to (8)_____ everything
I just want to feel everything
I (9)_____ (10)_____ to feel everything
So I'm (11)_____ try to be still now
Gonna (12)_____ the mill a little while and
If we had a double king size bed
We could (13)_____ in it and I'd (14)_____ forget
If what I am is (15)_____ I am, 'cause I does what I does
And maybe I'd relax, let my (16)_____
(17)_____ bust open
My heart's made of (18)_____ of all that's around me
And that's why the devil just can't get around me
Every (19)_____ night's alright
Every single night's a fight
And every (20)_____ fight's alright (21)_____
my brain
I (22)_____ want to (23)_____ everything
I (24)_____ want to feel everything
I (25)_____ want to (26)_____ everything
I just want to feel everything
