Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine (1)_____ the mind
Trickle down the spine
Swarm the belly, (2)_____ to a blaze
That's when the pain comes in
Like a (3)_____ skeleton
Trying to fit (4)_____ the skin
I can't fit the feelings in, no
Every single night's a (5)_____ with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is (6)_____ I am, 'cause I (7)_____
what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the (8)_____ and heart is the yolk
And I just need a (9)_____ for us both to choke on

Every single night's a (10)_____ with my brain
I just want to feel everything
I (11)_____ want to (12)_____ everything
I (13)_____ (14)_____ to feel everything
So I'm gonna try to be (15)_____ now
Gonna (16)_____ the mill a little while and
If we had a (17)_____ king size bed
We could move in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast (18)_____ bust open
My heart's made of (19)_____ of all that's around me
And that's why the devil just can't get (20)_____ me
Every single night's alright
Every single night's a fight
And every single fight's (21)_____ with my brain
I just want to feel everything
I just want to feel everything
I (22)_____ (23)_____ to (24)_____ everything
I just want to feel everything
