

Ours by Taylor Swift

Elevator buttons and morning air
Stranger's silence makes me wanna take the stairs
If you were here
We'd laugh about (1)_____ vacant stares
But right now, my (2)_____ is theirs
Seems like there's always someone who disapproves
They'll judge it like they know about me and you
And the verdict comes from those with nothing else to do
The jury's out, but my choice is you
So don't you worry (3)_____ pretty little mind
People (4)_____ rocks at things (5)_____ shine
And life makes love look hard
The stakes are high, the water's rough
But this love is ours
You (6)_____ know what people have up
(7)_____ sleeves
Ghosts (8)_____ your (9)_____ (10)_____ jump out at me
Lurking in the shadows (11)_____ their lip gloss smiles
But I don't care 'cause right now you're mine
And you'll say don't you (12)_____ your (13)_____ (14)_____ mind
People throw rocks at (15)_____ that shine
And life makes love look hard
The (16)_____ are high, the water's rough

Fill in the gaps

But this love is ours
And it's not theirs to speculate if it's wrong and
Your hands are though
But they are (17)_____ mine belong in
I'll fight (18)_____ doubt and (19)_____ you faith
With this song for you
'Cause I love the gap (20)_____ your teeth
And I love the riddles that you speak
And any snide remarks from my father
About your tattoos will be ignored
'Cause my (21)_____ is yours
So don't you (22)_____ your (23)_____ little
mind
People throw (24)_____ at things (25)_____ shine
And life makes love (26)_____ hard
Don't you worry your pretty little mind
People throw rocks at things that shine
But they can't take what's ours
They can't take what's ours
The (27)_____ are high, the water's rough
But this love is ours
