

The stakes are high, the water's rough

## Fill in the gaps

Elevator buttons and morning air	But this love is ours
Stranger's silence makes me wanna take the stairs	And it's not theirs to
If you were here	Your hands are thou
We'd laugh about their vacant stares	But they are where
But right now, my time is theirs	I'll fight their doubt a
Seems like there's always someone who disapproves	With this song for yo
They'll judge it like they know about me and you	'Cause I love the ga
And the verdict comes from those with nothing else to do	And I love the riddle
The jury's out, but my choice is you	And any snide (3)_
So don't you worry your pretty little mind	About your tattoos v
People throw rocks at things that shine	'Cause my heart is y
And life makes love look hard	So don't you worry y
The stakes are high, the water's rough	People throw rocks
But this love is ours	And life (5)
You never (1) what people have up their sleeves	Don't you worry you
Ghosts from your past gonna jump out at me	People throw (6)_
Lurking in the shadows with their lip gloss smiles	shine
But I don't care 'cause right now you're mine	But they can't take v
And you'll say don't you worry your pretty little mind	They can't take wha
People throw rocks at things that shine	The stakes are high
And life makes love look hard	But (8) lo

And it's not theirs to speculate if it's wrong and
Your hands are though
But they are where mine (2) in
I'll fight their doubt and give you faith
With this song for you
'Cause I love the gap between your teeth
And I love the riddles that you speak
And any snide (3) from my father
About your tattoos will be ignored
'Cause my heart is yours
So don't you worry your (4) little mind
People throw rocks at things that shine
And life (5) love look hard
Don't you worry your pretty little mind
People throw (6) at (7) that
shine
But they can't take what's ours
They can't take what's ours
The stakes are high, the water's rough
But (8) love is ours
