

Out to save the world

Fill in the gaps

Keeps Gettin' Better by Christina Aguilera

Step back!	And it (8) (9) better
Gonna come at ya fast	Hold on
I'm driving out of control	Keeps getting better
And (1) ready to crash	Hold on
Won't stop (2) up what I can	Keeps getting better
I serve it up in a shot	In the break of the night
So suck it down like a man	In the speed of the light
So baby, yes I (3) what I am	I hold the universe up
And no I don't give a damn	I'll make your planets collide
And you'll be loving it	When I strap on my boots
Some days I'm a super bitch	And I slip on my suit
Up to my old tricks	You see the vixen in me
But it won't last forever	Becomes an angel for you
Next day I'm your super girl	Some days I'm a super bitch (a super bitch)
Out to save the world	Up to my old tricks
And it keeps getting better	But it won't last forever (won't last forever, no)
Kiss, kiss	Next day I'm your super (10) (super girl)
Gonna tell you right now	Out to save the world
I make it sweet on the lips	And it keeps getting better (keeps getting better)
I'll simply knock you out	Some days I'm a super bitch (a super bitch)
Shut up!	Up to my old tricks
I don't (4) what you say	But it won't last forever (last forever, no)
Cause (5) were both in the wind	Next day I'm your super girl (super girl)
You gonna like it my way	Out to save the world
Yeah baby, theres a villain in me	And it keeps getting better (keeps getting better)
So sexy, sour and sweet	Hold on
And you'll be (6) it	Keeps getting better
Some days I'm a super (7) (a super bitch)	Hold on
Up to my old tricks	Keeps getting better
But it won't last forever (won't last forever, no)	
Next day I'm your super girl (super girl)
