

Fill in the gaps

Stereo Hearts by Gym Class Heroes & Adam Levine

My heart's a stereo	And all I ask is that you don't get mad at me
It (1) for you, so listen close	When you (17) to (18) mad D
Hear my thoughts in every note (oh oh)	batteries
Make me (2) radio	Appreciate every mixtape your friends make
And turn me up when you (3) low	You never know we come and go
This melody was meant for you	Like we're on the interstate
Just (4) along to my stereo (Gym Class Heroes,	I think I finally (19) a (20) to make
baby!)	you understand
If I was just another dusty record on the shelve	If you can hear it, sing along and take me by the hands
Will you (5) me off and play me (6)	Keep myself inside your head, like your
everybody else	(21) tune
If I ask you to (7) my back	You (22) my heart's a stereo that only plays for you
Could you manage that	My heart's a stereo
Like it read well, check it Travie, I can handle that	It beats for you, so listen close
Furthermore, I apologize for any (8)	Hear my (23) in every note (oh oh)
tracks	Make me your radio
Cause this the last (9) that played me	And turn me up when you feel low
Left a couple cracks	This melody was meant for you
I used to used to used to, now I'm over that	Just sing along to my stereo
Cause holding grudges over love is ancient artifacts	(Oh oh oh oh) to my stereo
If I could only find a note to make you understand	(Oh oh oh) so sing (24) to my stereo
I'd (10) it (11) in your ear and grab	I only pray you never leave me behind
you by the hand	Because good music can be so hard to find
Keep it stuck inside your head, like (12) favorite	I take your hand and pull it (25) to mine
tune	Thought love was dead
And know my (13) is a stereo that only plays for	But now you're changing my mind
you	My heart's a stereo
My heart's a stereo	It beats for you, so listen close
It beats for you, so listen close	Hear my thoughts in every note (oh oh)
Hear my thoughts in every note (oh oh)	Make me your radio
	And turn me up when you feel low
Make me your radio	This melody was meant for you
Turn me up when you (14) low	Just sing along to my stereo
This melody was (15) for you	(Oh oh oh oh) to my stereo
Just sing along to my stereo	It's ya boy Travie (Gym (26) Heroes, baby!)
(Oh oh oh oh) to my stereo	So sing along to my stereo
(Oh oh oh) So sing along to my stereo (let's go)	Yeah!
If I was an old school, fifty pound boombox	
Would you hold me on your shoulder	
Wherever you walk	
Would you turn my volume up before of the cops	
And crank it (16) everytime they told you to	
stop
