Would you turn my volume up before of the cops

And crank it higher everytime they told you to stop

Stereo Hearts by Gym Class Heroes & Adam Levine

My heart's a stereo	And all I ask is that you don't get mad at me
It beats for you, so listen close	When you have to purchase mad D batteries
Hear my thoughts in every note (oh oh)	Appreciate every mixtape your friends make
Make me your radio	You (7) know we come and go
And turn me up when you feel low	Like we're on the interstate
This melody was (1) for you	I think I finally found a note to make you understand
Just (2) along to my stereo (Gym (3)	If you can hear it, sing along and take me by the hands
Heroes, baby!)	Keep myself inside your head, like your favorite tune
If I was just another dusty record on the shelve	You know my heart's a stereo that only plays for you
Will you blow me off and play me like everybody else	My heart's a stereo
If I ask you to scratch my back	It beats for you, so listen close
Could you manage that	Hear my thoughts in every note (oh oh)
Like it read well, check it Travie, I can handle that	Make me your radio
Furthermore, I apologize for any skipping tracks	And turn me up when you feel low
'Cause (4) the last girl that played me	This melody was meant for you
Left a couple cracks	Just sing along to my stereo
I used to used to used to, now I'm over that	(Oh oh oh oh) to my stereo
Cause holding grudges over love is ancient artifacts	(Oh oh oh) so sing along to my stereo
If I could only find a note to make you understand	I (8) pray you never leave me behind
I'd sing it softly in (5) ear and grab you by the hand	Because good music can be so hard to find
Keep it stuck inside your head, like your favorite tune	I take your hand and pull it closer to mine
And know my heart is a stereo that only plays for you	Thought love was dead
My heart's a stereo	But now you're changing my mind
It beats for you, so listen close	My heart's a stereo
Hear my thoughts in every note (oh oh)	It beats for you, so listen close
	Hear my thoughts in every note (oh oh)
Make me your radio	Make me your radio
Turn me up (6) you feel low	And (9) me up when you feel low
This melody was meant for you	This melody was meant for you
Just sing along to my stereo	Just sing along to my stereo
(Oh oh oh oh) to my stereo	(Oh oh oh oh) to my stereo
(Oh oh oh) So sing along to my stereo (let's go)	It's ya boy (10) (Gym Class Heroes, baby!)
If I was an old school, fifty pound boombox	So sing along to my stereo
Would you hold me on your shoulder	Yeah!
