

## Fill in the gaps

## From Sarah With Love by Sarah Connor

For so many years we were friends	I'm sending a letter each day
And yes I always knew what we could do	From Sarah with love
But so many (1) in the rain	She took your (11) to the stars above
Felt the night you said	And they told her it is true
That love had come to you	She could dare to (12) in love with you
I (2) you were not my kind	So don't make her blue when she writes to you
I thought that I could (3) feel for you	From Sarah with (13)
The passion and love you were feeling	From Sarah with love
And so you left	She'd got the lover she is dreaming of
For someone new	She (14) (15) the words to say
And now that you're far and away	But I know that today
I'm sending a letter today	She's gonna (16) her letter to you
From Sarah with love	From Sarah with love
She'd got the lover she is dreaming of	She's gotta know what you are thinking of
She never found the words to say	cause every little now and then
But I know (4) today	And again and again
She's gonna send her letter to you	I know her heart cries out for you
From Sarah with love	From Sarah with love
She took your (5) to the stars above	She'd got the lover she is dreaming of
And they told her it is true	Never found - words to say, ahh
She could dare to fall in love with you	But today, but today
So don't make her blue when she writes to you	From Sarah with love
From Sarah with love	She took your picture to the (17) above
So maybe the chance for romance	And they told her it is (18)
Is like a train to catch (6) it's gone	She could dare to fall in love with you
And (7) it's just an illusion	So don't make her (19) when she writes to you
To hope behind the clouds	From Sarah with love
You'll find the sun	Coda:
But I'll keep on hoping and praying	And they told her it is (20)
There (8) be a day when we meet again	She could (21) to fall in (22) with you
And I'll keep on (9) and dreaming	So don't make me blue when I write to you
You're strong enough	From Sarah with (23)
To understand	
As long as (10) so far away
