

To heal my soul

And I will wander 'til the end of time

Fill in the gaps

My Heart Is Broken by Evanescence

I (1) wander 'til the end of time		Half (7) without you
Torn (2) from you		My heart is broken
I pulled (3) to face the pain		Sweet sleep, my (8) ange
I close my eyes and drift away		Deliver us
Over the fear (4) I (5) n	never	Change
(6) a way		Open your (9) to the light
To heal my soul		I denied it all so long, (uh) so long
And I will wander 'til the end of time		Say goodbye, goodbye
Torn away from you		My heart is broken
My heart is broken		Release me, I can't hold on
Sweet sleep, my dark angel		Deliver us
Deliver us from sorrow's hold		My heart is broken
Over my heart		Sweet sleep, my dark angel
I can't go on living this way		Deliver us from sorrow's hold
And I can't go back the way I came		
Chained of this fear that I will never find a way
