

## Fill in the gaps

I know I may be young	Get it get it, get it get it (whoa)
But I've got (1) too	Get it get it, get it get it (whoa)
And I need to do what I feel (2) doing	Get it get it, get it get it (oh)
So let me go and just listen	I really want to dance, tonight with you
All you people look at me like I'm a little girl	(I just can't (7) myself)
Well did you (3) think it be okay	I really want to do what you want me to
For me to step into this world	(I just (8) I let myself go)
Always saying little girl don't step into the club	I really want to dance, tonight with you
Well I'm just tryin' to find out why	(Wanna see you move)
'Cause dancing is what I love	I really want to do (9) you want me to
Get it get it, get it get it (whoa)	(Uh uh uh)
Get it get it, get it get it	Baby, don't you want to, dance upon me
Do you like it (whoa)	(I just want to dance next to you)
Get it get it, get it get it (oh)	To another time and place
(This feels good)	(Oh) Baby, don't you want to, dance upon me
I know I may come off quiet	(Are you ready)
I may come off shy	Leaving behind my name, my age
But I feel like talking, feel like dancing	I'm a slave for you (take that)
When I see this guy	I cannot hold it, I cannot control it
What's practical is logical	I'm a slave (It just feels right) for you
What the hell, who cares?	(It just feels good)
All I know is I'm so happy	I won't deny it, I'm not trying to hide it baby
When you're dancing there	Get it get it, get it get it (whoa)
I'm a (4) for you	Get it get it, get it get it (whoa)
I cannot hold it, I cannot control it	Get it get it, get it get it (oh)
I'm a slave for you	Get it get it, get it get it (whoa)
I won't deny it, I'm not trying to hide it	Get it get it, get it get it (whoa)
Baby, don't you want to, dance upon me	Get it get it, get it get it (oh)
(I just want to dance next to you)	I'm a slave for you (here we go now)
To (5) time and place	I cannot (10) it, I cannot control it
Oh baby, don't you want to, dance upon me	I'm a slave for you (here we go)
(Are you ready)	I won't deny it (yeah)
Leaving (6) my name, my age	I'm not trying to hide it
(Lets go)	(Like that)
(Like that)	
(Now watch me)
