## Welcome To My Life by Simple Plan

To be like me

To be hurt, to feel lost

To be left out in the dark

To be kicked when you're down

## Fill in the gaps

To feel like you've been (7)\_\_\_\_\_ around Do you ever feel like breaking down? Do you ever feel out of place? To be on the edge of breaking down Like somehow you just don't belong And no one's there to save you And no one understands you No you don't know what it's like Do you ever want to run away? Welcome to my life Do you lock yourself in your room? No one ever lied straight to your face With the radio on turned up so loud And no one ever stabbed you in the back You might think I'm happy That no one hears you (1)\_\_\_ No you don't know (2)\_\_\_\_\_ \_\_ it's like But I'm not gonna be ok When nothing feels alright Everybody always gave you what you wanted You don't know what it's like You never had to work To be like me It was always there To be hurt, to feel lost You don't (8)\_\_\_\_\_ what it's like To be left out in the dark What it's like To be kicked when you're down To be hurt, to feel lost To be left out in the dark To feel like you've been pushed around To be on the edge of breaking down To be kicked when you're (9)\_\_\_ And no one's there to save you To feel like you've been pushed around No you don't know what it's (3)\_\_\_\_ To be on the edge of breaking down Welcome to my life And no one's there to save you Do you (4)\_\_\_\_\_ be somebody else? No you don't know what it's like (what it's like) To be hurt Are you sick of feeling so left out? Are you desperate to (5)\_\_\_\_\_ something more To feel lost Before your life is over? To be left out in the dark Are you stuck inside a world you hate? To be kicked Are you (6)\_\_\_\_\_ of everyone around? When you're down With their big fake smiles and stupid lies To feel like you've been pushed around To be on the (10)\_\_\_\_\_ of breaking down While deep inside you're bleeding No you don't know what it's like And no one's there to save you When nothing feels alright No you don't know what it's like You don't know what it's like Welcome to my life

Welcome to my life

Welcome to my life
