

Fill in the gaps

Don't think I can't feel	Be sure (9) you close that door
Like there's something wrong	Before you roll
You've been the sweetest (1) of my life	Those dice
For so long	Baby, think twice
I look in your eyes, there's a distant light	Baby, this is serious
And you and I know there'll be a storm tonight	(This is serious)
This is getting serious	Are you thinking about you or us?
Are you thinking about you or us?	(Baby)
Don't say what you're about to say	Don't say what you're about to say
Look back before you leave my life	(No, no, no, no)
Be sure before you close that door	Look back before you leave my life
Before you roll	(Don't leave my life)
Those dice	Be sure before you close that door
Baby, (2) twice	Before you roll
Baby, think twice	Those dice
For the sake of our love, for the memory	Baby, think twice(Don't do what you're about to do)
For the (3) and the (4) (5)	(My everything depends on you)
was you and me	I depend on you
Babe, I know it ain't easy	Whatever it takes, I'll sacrifice
When your soul cries out for higher ground	Before you roll
'Cos when you're halfway up	Those dice
You're (6) halfway down	Don't say what you're about to say
But baby, (7) is serious	Look back before you leave my life
(This is serious)	(Don't (10) my life)
Are you thinking about you or us?	
Don't say what you're (8) to say	
Look back before you leave my life
