Can't Hold Us Down by Christina A
So what am I not supposed to have an opinion
Should I be quiet just because I'm a woman
Call me a bitch cause I speak what's on my mind
Guess it's easier for you to swallow if I sat and smiled
When a female fires back
Suddenly big talker don't know how to act
So he does what any little boy will do
Making up a few false rumors or two
That for sure is not a man to me
Slanderin' names for popularity
It's sad you only get your fame through controversy
But now it's time for me
To come and give you more to say
This is for my girls all around the world
Who've come across a man
That don't respect your worth
Thinking all women should be seen, not heard
So what do we do girls?
Shout louder!
Letting (1) know we're gonna stand our ground
Lift your hands high and wave (2) proud
Take a deep breath and say it loud
Never can, never will, can't hold us down
Nobody can hold us down
Nobody can hold us down
Nobody can hold us down
Never can, never will
So what am I not supposed to say

What I'm saying

To (4) (5) I sing
If you look back in history
It's a common (6) standard of society
The guy gets all the glory the more he can score
While the girl can do the same
And yet you call her a whore
I don't understand why it's okay
The guy can get away (7) it the girl gets named
All my ladies come together and make a change
Start a new beginning for us (8) sing

But the table's about to turn up
