South Hold Is Down by

Can't Hold Us Down by Christina Aguilera & Lil' Kim

So what am I not supposed to have an opinion			
Should I be quiet just because I'm a woman			
Call me a bitch (1) I speak what's on my mind			
Guess it's easier for you to swallow if I sat and smiled			
When a female fires back			
Suddenly big (2) don't know how to act			
So he does what any little boy will do			
Making up a few false rumors or two			
That for sure is not a man to me			
Slanderin' names for popularity			
It's sad you only get your fame through controversy			
But now it's (3) for me			
To come and give you more to say			
This is for my girls all around the world			
Who've come across a man			
That don't respect your worth			
Thinking all women should be seen, not heard			
So what do we do girls?			
Shout louder!			
Letting them know we're gonna stand our ground			
Lift your hands high and wave them proud			
Take a (4) breath and say it loud			
Never can, never will, can't hold us down			
Nobody can hold us down			
Nobody can hold us down			
Nobody can hold us down			
Never can, never will			
So what am I not supposed to say			

What I'm saying

SUB inglés			
Are you offended by the message I'm bringing			
Call me whatever cos your words			
Don't mean a thing			
Guess you ain't even a man enough			
To handle what I sing			
If you look back in history			
It's a common double standard of society			
The guy gets all the glory the more he can score			
While the girl can do the same			
And yet you call her a whore			
I don't understand why it's okay			
The guy can get away with it the girl gets named			
All my ladies come together and make a change			
Start a new beginning for us everybody sing			
This is for my girls all around the world			
Who've come across a man			
That don't respect your worth			
Thinking all women should be seen, not heard			
What do we do girls?			
Shout louder!			
Letting (5) know we're gonna stand our ground			
Lift your hands high and wave 'em proud			
Take a deep breath and say it loud			
Never can, (6) will			
(Check it) can't hold us down			
Here's something I just can't understand			
If the guy have three girls then he's the man			
He can (7) give us some head, sex her off			

If the girl do the same, then she's a whore

But the table's about to turn up

I'll bet my fame on it

Cats take my ideas a	nd put their name o	n i
----------------------	---------------------	-----

It's aiight though, you can't hold me down

I got to keep on movin'

To all my girls with a man who be tryin to mack

Do it right back to him and let that be that

You need to let him know that his game is whack

And Lil' Kim and Christina Aguilera got your back

But you're just a little boy

Think you're so cute, so coy

You (8)_____ talk so big

To (9)_____ up for smaller things

So you're just a little boy

All you'll do is annoy

You must talk so big

To make up for smaller things

This is for my girls...

This is for my girls all around the world

Who've come across a man

That don't respect your worth

Thinking all women should be seen, not heard

So what do we do girls?

Should out loud!

Letting them know we're gonna stand our ground

Take a deep breath and say it loud

Never can, never will, can't hold us down

This is for my (10)_____ all around the world
