Fill in the gaps

The Voice Within by Christina Aguilera

Young girl, don't cry	No one reaches out a hand for you to hold
I'll be right here when your world starts to fall	When you're lost outside, look (3) to
(Uh)	(4) soul
Young girl, it's alright	When there's no one else, look inside yourself
Your tears will dry, you'll soon be free to fly	Like your oldest friend, just trust the voice within
(Uh)	Then you'll find the strength, that will guide your way
When you're safe inside your room, you tend to dream	If you'll learn to begin to trust the voice within
Of a place where nothing's harder than it seems	Life is a journey
No one (1) wants or bothers to explain	It can take you (5) you choose to go
Of the heartache life can bring and what it means	As long as you're learning
When there's no one else, look inside yourself	You'll find all, you'll ever need to know
Like your (2) friend, just trust the voice within	Break it
Then you'll find the strength, that will guide your way	You'll make it
You'll learn to begin to trust the voice within	Just don't forsake it because
(Oh)	
Young girl, don't hide	No one can (6) you, you know that I'm talking to
You'll never change if you just run away	you
(Uh)	When there's no one else, look inside yourself
Young girl, just hold tight	And like your oldest friend, just trust the voice within
Soon you're gonna see your brighter day	Then you'll (7) the strength, that will guide
(Oh)	(8) way
Now, in a world where innocence is quickly claimed	You'll learn to begin to trust the voice within
It's so hard to stand your ground, when you're so afraid	Young girl, don't cry
	I'll be right here (9) your world starts to fall
