

Fill in the gaps

i am done	we lost the fight
Smoking gun	And we had magic
We've lost it all	And (6) is tragic
The love is gone	You couldn't keep your hands to yourself
She has won	(Oh oh)
Now it's no fun	I (7) (8) our world's (9)
We've lost it all	infected
The love is gone	And somehow you (10) me neglected
And we had magic	We've (11) our (12) (13)
And (1) is tragic	changed
You couldn't keep your hands to yourself	Baby, you (14) me
I feel like our world's been infected	Now I know you're sorry
And somehow you left me neglected	And we were sweet
We've found our (2) (3) changed	But you (15) lust when
Baby, you lost me	You deceived me
And we tried	And you'll (16) it
(Oh) how we cry	But it's too late
We (4) ourselves	How can I ever trust you again?
The love has died	I (17) (18) our world's been infected
And though we tried	And somehow you (19) me neglected
You can't deny	We've (20) our lives been changed
We're (5) as shells	Baby, you (21) me!
