You Lost Me by Christina Aguilera

Fill in the gaps

I am done	We lost the fight
Smoking gun	And we had magic
We've lost it all	And this is tragic
The love is gone	You couldn't keep your hands to yourself
She has won	(Oh oh)
Now it's no fun	I feel like our world's been infected
We've lost it all	And somehow you left me neglected
The love is gone	We've found our lives been changed
And we had magic	Baby, you lost me
And this is tragic	Now I know you're sorry
You couldn't (1) your hands to yourself	And we were sweet
I feel like our world's (2) infected	But you (6) lust when
And (3) you left me neglected	You deceived me
We've found our (4) (5) changed	And you'll regret it
Baby, you lost me	But it's too late
And we tried	How can I ever trust you again?
(Oh) how we cry	I (7) like our world's (8) infected
We lost ourselves	And (9) you left me neglected
The love has died	We've found our lives been changed
And though we tried	Baby, you lost me!
You can't deny	
We're left as shells
