## Ain't No Other Man by Christina Aguilera

(Hey)	Ain't no other man that can stand up next to you
(Do your thing honey)	Ain't no other man on the planet, does what you do (do)
I could feel it from the start	You're the kinda guy a girl finds, in a (13) moon
Couldn't stand to be apart	You got soul (soul), you got class (class)
Something about you caught my eye	You got style with (14) badass (yeh yeh yeah)
Something (1) me deep inside	Ain't no other man it's true
I don't know what you did boy, but you had it	Ain't no other man but you
And I've (2) (3) ever since	(Break it down now)
I told my mother, my brother	Ain't no other, ain't, ain't, no other, other
My (4) and my friends	Ain't no other, ain't, ain't, no other lover
Told the others (others), my lovers (lovers)	Ain't no other, I, I, I (15) no other
Both (5) and (6) tense (oh right)	Ain't no (16) man but you
That every time I see you	You are there when I'm a mess
Everything starts making sense	Talk me down from every ledge
(Do your thing honey)	Give me strength, boy you're the best
Ain't no (7) man (8) can stand up	You're the only one who's ever passed every test
next to you	Ain't no other man that can stand up next to you
Ain't no other man on the planet, does what you do	(Next to you)
You're the kinda guy a girl finds, in a (9) moon	Ain't no (17) man on the planet, does what you
You got soul, you got class	do
You got style with your badass (oh yeah)	You're the (18) guy a girl finds, in a blue moon
Ain't no other man it's true (all right)	You got soul, you got class
Ain't no other man but you	You got style with your badass
Never thought I'd be (10) (no no no)	Ain't no (19) man it's true
Till you came and changed my life (yeh yeh yeah)	Ain't no other man but you
What was cloudy now is clear (yeh yeh)	And now I'm telling you
You're the light that I needed	So ain't no other man but you (hey)
You got what I want boy, and I want it	Ain't no other man (20) can stand up next to you
So keep on giving it up	Ain't no (21) man on the planet, does what you
So tell your mother, your brother	do
Your sister and your friends	You're the (22) guy a girl finds, in a blue moon
(Your sister and your friends)	You got soul, you got class
Tell the others, your lovers (lovers)	You got style with your badass (don't you know)
Better not be (11) tense	Ain't no other man it's true
'Cause I want everyone to know	Ain't no (23) man but you
That you are (12) and no one else's	
(Oh oh oh Ah)
