

Fill in the gaps

(Yo, yo)	All rise (I'm gonna tell it to your face)
Your honor please	All rise
Gotta believe (1) I say	(I rest my case)
What I will tell	So step back
Happened just the other day	'Cause you don't know this cat
must confess	I know deep down that
Cause I had (2) enough	You don't want me to react
need your help	I lay low
Gotta make this here thing stop	Leaving all my (12) open
Baby I swear I tell the truth	The decision of the (13) has not been spoken
About all the things you (3) to do	Step in my house
And if you thought you had me fooled	You (14) that (15) (16)
'm tellin' you now	has gone
Objection overruled	But in (17) to whom does the stuff belong?
Here we go, oh baby	I bring you into court
One for the money and the free rides	To preach my order
t's two for the lie that you denied	And you know that
All rise	You (18) the border (Uhuh)
All rise	One for the money and the free rides
Three for the (4) you've been making	It's two for the lie that you denied
t's four for the times you've (5) faking	All rise
All rise (I'm gonna tell it to your face)	All rise
All rise	Three for the calls you've been making
(I rest my case)	It's four for the times you've (19) faking
You're on the stand	All rise
With your (6) against the wall	All rise
Nowhere to run	One for the (20) and the free (21)
And nobody you can call	(what you say)
Oh no	It's two for the lie (22) you denied (games you pay)
just can't wait	All rise (what you've done?)
Now the (7) is open wide	All rise
You'll try to pray	Three for the calls you've been making (what you say)
But the (8) will decide	It's four for the times you've (23) faking (games
Baby I swear I (9) the truth	you pay)
About all the (10) you used to do	All rise (what you've done?)
And if you thought you had me fooled	All rise (where you've gone?)
'm tellin' you	One for the money and the free rides
Objection overruled	It's two for the lie that you denied
) Oh baby	All rise
One for the money and the free rides	All rise
t's two for the lie that you denied	Three for the calls that you've, been making
All rise	It's four all the (24) you've been faking (I said)
All rise	All rise
Three for the (11) you've been making	All rise
t's four for the times you've been faking	(I (25) my case)
